COMPANY LEADERS ARE “IN THE DOGHOUSE”

DUBUQUE, IOWA April 12, 2016 - On April 15, 2016 at 11AM, eight area CEO's or company leaders have agreed to be thrown In the Doghouse. Since March 15, they have been raising the necessary impound fees to be released from their holding kennels.

These amazing people have joined us to help raise the needed funds to provide necessary vaccinations, spay/neuter and other medical care for the animals at the DRHS.

Please consider joining us at the Dubuque Regional Humane Society for photo opportunities and/or interviews of these company leaders in their respective kennels. Two of our CEO's, Jill Reimer and Dan Sullivan, have chosen to “go public” and raise their funds in an outdoor kennel on April 15th from 8AM until noon at the University and Asbury Kwik Stop location.

All the funds raised from this event will help care for the thousands of homeless animals the DRHS cares for each year.

Participants include:

Wendy Runde – General Manager of the Diamond Jo Casino
Randy Sigman – President of Union Hoermann Press
Sharlene Kline – Vice President of First Community Trust
Peter Arling – Shareholder at O'Connor & Thomas
Jill Reimer – Vice President at Rainbo Oil Company
