**COMPANY LEADERS ARE "IN THE DOGHOUSE"**

**DUBUQUE, IOWA February 21, 2017** - Nine local company leaders/CEO's are being thrown *In the Doghouse* but for a good cause. On February 24<sup>th</sup>, they will start fundraising for their "impound fees" as the launch of our second annual "In the Doghouse" event. Each of the participants has one month to raise \$2,000 and on March 24<sup>th</sup> will be put into one of our animal enclosures until their fees are paid.

These amazing people have joined us to help raise the needed funds to provide necessary vaccinations, spay/neuter and other medical care for the animals at the DRHS.

Please consider joining us at the Dubuque Regional Humane Society for photo opportunities and/or interviews of these company leaders in their respective kennels on March 24<sup>th</sup> at Noon.

All the funds raised from this event will help care for the thousands of homeless animals the DRHS cares for each year.
